

EUROPEAN  
SCHOOL FOR

# METABOLOMICS

22-26 April 2024 | Spain

[www.eusm2024.com](http://www.eusm2024.com)

## A week with

Seminars from renowned scientists  
scientific talks, workshops, discussions

## The perfect opportunity to

Improve your  
metabolomics skills

Expand your  
professional network

Present and get feedback on your research  
Rich and friendly discussions

## ★ A Rich and Diverse Programme ★

MS Metabolomics  
Antonia Garcia

NMR Metabolomics  
Pascal de Tullio

Tools for data mining  
Justin van der Hooft

Fluxomics  
Marta Cascante

Data processing  
Julia Kuligowski

Metabolic networks  
Valentina Calabrese

AI for metabolomics  
Vinny Davies

Compound annotation  
Sebastian Böcker's Lab

## ★ Exceptional surroundings ★

In the center of Granada, time off for  
sport & cultural activities
