

Barcelona, June 2<sup>nd</sup>, 2025

Prof. Dr. Michal Holčápek  
Prof. Dr. Lucie Nováková  
Chairs of ISC 2026

Dear Professors Holčápek and Nováková,

As President of the Spanish Society of Chromatography and Related Techniques (SECyTA), I am pleased to inform you that we fully support your proposal regarding the **"35<sup>th</sup> International Symposium on Chromatography (ISC 2026)"**, to be held from 6 – 10 September 2026 in Prague, Czech Republic.

SECyTA's collaboration with the Symposium will include the following:

1. **35<sup>th</sup> International Symposium on Chromatography (ISC 2026)** will be announced on the SECyTA website ([www.secyta.es](http://www.secyta.es)), including a link to your official website (<https://www.isc2026.org/>).
2. SECyTA will share information about **ISC 2026** with its members via e-mail, including general information, deadline reminders, updates in scientific program and speakers, and more.
3. SECyTA will sponsor several grants for PhD students who are members of the Society to attend the conference and present their work. The grant application requirements will be available on our website (<https://www.secyta.es/es/grantssecyta>). Please feel free to include this information on your website. I will also send you the SECyTA logo for inclusion on your website.

Yours sincerely,

Prof. Dr. Jordi Díaz-Ferrero  
President of SECyTA
